NOVEMBER/DECEMBER, 2010 VOL 44, ISSUE 8

Message from the President...

Happy Holiday's Corvettes United.

It's hard to believe we have come to an end of another year together. What can I say about 2010! If anyone had asked me how the year was going to start off I would not have believed them. But, I am glad the way things have turned out. I would also like to say a special thank you to all of our sponsors for what they did this year for us; we could not have made it without you. On a personal note, I would like to personally thank; Big Al, Jane, Jim, Deb, Derek, and John M for all their help with the board, club, and website. You truly make my job a lot easier and I thank you all for what you have done in 2010.

Annual Banquet

Our banquet this year was held at The Wayside Inn on Sunday, November 14th. We started with a small cruise ending at the Wayside Inn grounds. The dinner was great, the room nice cozy, and after all was said and done, and it turned out to be a great night. Awards were given out to the following members:

Rookies of the Year – Chad and Doreen
Runners –up: Rich and Judy
Shooting Star Award: Deb W
Oscar for Treasury of the Year: Jim P
President Award: Big Al and Jane

*Previous President Awards were also given to their rightful owners.

Outlook for 2011

For 2011 we have a jammed pack year ahead. Not only will our all car show be held at Hebert's Candy Mansion in Shrewsbury, but we will also have 2 all car cruise nights as well. Our first will be in the spring and second one in the summer. The calendar of events will be emailed to all members in January of 2011 and each month will be posted online to our new website ~ more to come on that in January of 2011. Some highlights to look forward too: CU Bowling night 3 – Return of the Champions, COD-ZILLA, F1 Racing, CU Drive-in Night, Ice Cream Cruises, and much, much, more.

New Members and Sponsors

I would like to set a goal that we get 15 new members to join in 2011 and that every member tries to get at least one new sponsor to join the club. I know this may seem like a large task to complete. However, if you look back at what we just went through as a club, this should be a walk in the park.
